

Now Accepting Medicaid

CARROLL & HARFORD COUNTIES

At the Infinity Center for Behavior Services, we offer early intervention services for children ages 1-8 with a diagnosis of autism spectrum disorder.

Now that we are credentialed for Medicaid, we can assist families using Medicaid for Applied Behavior Analysis (ABA) treatment and diagnostic services.

We look forward to meeting your child's needs.

Please give us a call today at 443-300-6362!
